Everything you need to link agile guidance and practice – all in one place

For an annual fee of \$385, your agile leaders and team members get full access to an on-demand continuous learning platform designed to empower them with the tools, knowledge, and community support needed to sustain successful SAFe transformations and enhance agile practices within their organizations.

Full access to our library of SAFe Skills – self-paced, on-demand e-learning that can be completed in less than an hour and applied immediately.

700+ videos and tutorials, including recordings from all previous SAFe Summits, webinar recordings, and tutorials on key SAFe competencies and ceremonies.

A private digital community with 55,000+ fellow SAFe agilists to discuss & share advice from successful transformations.

Unlimited access to SAFe CoPilot – your AI companion for all things SAFe.

50,000+ written words in the form of Framework articles, practice guides, and resources.

A community calendar featuring role-based events for RTEs, SPCs, Product Owners, Scrum Masters, and more.

Premium workshop toolkits that help you implement key SAFe practices.

Stay ahead of the curve with the latest agile trends and practices

Connect with and learn from a global community of SAFe practitioners

Gain practical insights that you can apply directly to your teams

Everything you need to link agile guidance and practice – all in one place

SAFe+ stands out as an all-in-one learning subscription that provides agile professionals with continuous, on-demand access to expert resources. While other SAFe offerings may focus on specific certifications or instructor-led training, SAFe+ offers a flexible, self-paced approach to learning.

	01 Certification Courses	02 Micro-Credentials	03 Skills	04 Premium Toolkits	05 Community	06 SAFe CoPilot
	 Multi-day, instructor led	 Single-day, cohort-based learning	 Self-paced, on-demand e-learning	 Essential resources for SAFe practice	 Learn from others' practices	 AI companion for all things SAFe
